GROUNDS CLOSED SUNDAY

The Kansas Free Fair grounds everyone except persons employed there, persons having exhibits at the fair, or other business on the grounds. No visitors will be adthe fair, or other business on the grounds. No visitors will be admitted. This is for the purpose of giving the workmen and other persons with business on the ground a free opportunity to get everything in place to start the big show early Monday morning.

The greatest Free fair in Kansas history will open its gates to the world Monday morning.

From all parts of the state and the middle west visitors will throng to c Topeka to take in the big annual show. The railroads have arranged for a 25 per cent discount on round fare tickets. The roads and highways leading to Topeka have been packed by recent rains until they will be in ex-cellent condition by Monday morning, provided no more heavy rain falls be-fore that time. Thousands of motor cars will be in the city, the incoming trains will be leaded and Topeka's housing facilities will be taxed to the utmost to accommodate her thousands

In spite of the many hundred thousand square feet of space, the free fair
authorities have experienced great
difficulty in finding room for all the
exhibits. Every barn and every
building is crowded to the limit. Canvas quarters have been erected to
care for much of the livestock. Some
of the agricultural exhibits have been
crowded out of doors, while many exhibitors, determined to display their
goods at all cests, have taken whatver space they could get in whatever

Tomorrow the finishing touches will be applied at the fair grounds. Every exhibit must be in place by 2 o clock Mohday morning. This rule is being rigidly enforced in order that visitors who can attend the fair only on Monday will not miss anything to be shown later in the week. The same rule will hold good in respect to keeping the exhibits in place until Saturday night.

listy their appetites with the assurance that they are not running danger health rules of the city. Glasses must be sterilized after being used once; food must be kept well covered; ev-erything sold must be pure.

Crop Year Brings Results. A banner crop year has resulted in a veritable flood of vegetables, fruit, grains and other products into agricultural hall. Every inch of space is taken up. And the quality, as well as the quantity of the exhibits, is something to be admired.

Poultry hall is filled. The new system of uniform wire coopage, adopted last year, has been maintained and

Munsey, of New York, and others, that Governor Cox be put on the stand in the inquiry into his charges that the Republicans were planning to raise a huge "cormittee today."

one since the division returned from overseas—is now placed at 12,000.

And Topeka is going to take care of the men. The civic clubs of the city will raise the \$10,000 reunion fund and Topeka is not going to let the former fighters spend any money while they are in Topeka, aside from their necessary living expenses. This assurance was given by Fred Volland, chairman of the reunion finance committee today.

mittee today.

"We are going to raise the \$10,000 without trouble," Volland said. "Two clubs have not turned in reports yet, but I feel sure that the amount practically has been pledged already. And we're soing to extend every hospitality to the Thirty-fifth division men while they are in Topeka, and in that way show our appreciation for the work they did in France."
